

PMP® Certification Prep Workshop

Scripting Successes. Creating Better Professionals.

Traditional Classroom (5 days, 9.00 am to 6.30 pm)

PMP® is the most sought after certification in Project Management, which is recognized globally and across industries. Obtaining a PMP demonstrates that a project practitioner has the knowledge, the experience to successfully lead and manage projects.

PROGRAM OBJECTIVES

- ▶ Equip participants to clear the certification with confidence on first try!
- ▶ Create better professionals capable of delivering higher business value to key stakeholders through global case studies and role plays

THE PROGRAM CONTENT

- ▶ The program is based on “A Guide to Project Management Body of Knowledge, Sixth Edition” published by PMI, USA
- ▶ Covers all the Process Groups – Initiation, Planning, Execution, Monitoring & Control and Closure
- ▶ Covers all the Knowledge Areas – Integration, Scope, Time, Cost, Quality, Human Resources, Communication, Procurement, Risk and Stakeholders

WORKSHOP FORMAT

- ▶ Traditional Classroom
- ▶ Language: English
- ▶ Case studies of global companies, research by leading institutions and industry best practices

Participants' speak about Your Faculty

I am writing to 'Thank You' for the training to help me prepare for PMP. "A teacher is a compass that activates the magnets of curiosity, knowledge and wisdom in the pupils." – Ever Garrison.

Sir, your knowledge wrapped under polite words was perfect recipe for us which not only motivated us to go for PMP but also inspiring. We appreciate your precious time, patience and ability to make the subject interesting. Thank you for all your invaluable efforts. I am glad you were my trainer.

Manager | SOFTWARE COMPANY

The workshop provided me with a well-rounded preparation for the PMP exam. I would like to confess that it was only because of your workshop that I took interest in topics like HR, Communication, PSR. I would like to thank you for wonderful learning experience.

Manager, Project Planning | SOFTWARE COMPANY

I passed the PMP exam yesterday with proficiency level in Planning, Execution, Monitoring & Control and Closing process groups. I sincerely think that the credit goes to you for this and so thank you very much for all your teaching and guidance. I would definitely like to learn more and more from you to progress in project management area. Thanks again!

Project Manager | TELECOM COMPANY

This was outstanding, an absolutely transformational experience for any professional, not just from PMP perspective, but also from other aspects of learning as well. Highly recommended!

Manager | FINANCIAL SERVICES COMPANY

While the training was for PMP, at the end, I realized it was a sort of a crash course on MBA. It is value for money.

Manager | INFRASTRUCTURE COMPANY

Your session was the best PM training I have attended. It was very relevant, interactive with practical scenarios. It was a great experience. Thank you for the wonderful session.

Manager | BIOTECH COMPANY

It was a wonderful experience. The faculty has great business acumen to deliver such a complex topic.

Project Lead | TECHNOLOGY COMPANY

Traditional Classroom (5 days, 9.00 am to 6.30 pm)

I must say the faculty is very professional, knowledgeable with the art to transform a boring subject into an interesting conversation by interactive sessions. He has the art of articulating the subject in a very lucid manner and takes over the audience by his simplicity and knowledge.

Manager | AIRLINE TECHNOLOGY COMPANY

I think it is going to be a life-changing experience for me. Thanks for that.

Project Lead | TELECOM COMPANY
